3 Courses

Identifying the Right Role for Yourself

Finding and Preparing for the Right Job

Interviewing, Negotiating a Job Offer, and Career Planning

Jul 29, 2025

DANIEL FIGUEIREDO PARREIRA ROCHA

has successfully completed the online, non-credit Specialization

Interviewing for DS/AI Roles

Students who completed this specialization are able to: Differentiate between top DS/AI roles and how they are described in the job market; Identify which skills to refresh in preparation for DS/AI applications and interviews; Make their portfolio and resume stand out by applying tips specific to the field; Recognize how to market themselves and how career fairs, connecting with recruiters, and networking can help; Discuss a technical interview preparation plan and interview best practices; Recall job offer acceptance or refusal best practices; and Create a career development plan.

Camille Funk
Director, Instructional Design and Learning Innovation
UC Irvine, Division of Continuing Education

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
